

Hello Chaperones!

Thank you for joining us on our journey through time as we make history come alive for your students!

Here is a short list of requests we make while you are with us.

Please arrive to North beach Area no later than 8:40am (or 20 minutes before the students arrive if it is a late morning).

251 CA-49, Coloma, CA 95613

Each personal vehicle which arrives to the park is required to bring \$10 cash to pay for parking (we recommend you carpool when available.)

Phone usage

It is important we have our phones on us, so we might be able to be reached in case of emergency. However, a key component to having a successful day with the kids is to LIVE IN THE MOMENT. Please keep phone usage to an absolute minimum, and use tact when snapping photos. Please ask for any staff members' consent before taking their picture.

STAY HYDRATED, and encourage the group to do so as well.

Have Fun! Today is all about giving our students an extraordinary experience they will cherish into adulthood. Let's help them enjoy the experience by being engaged with the day's activities/events.

Feel like dressing up?

While it is certainly not a requirement, we love it when our chaperone's "embrace a role".

Ask and you shall receive!

Please feel free to ask any of our staff if there is anything we can do to give you the best day ever.
